Request for copies of RAMS reports

Refer to the MAP and RAMS REPORT FORM to assist you to select your RAMS Reports.

**NOTE** All groups would request RAMS Reports 1 and 2 as these bring you into the Pool Complex. Most large groups would prefer to keep to the Public Pools in which case you would also request RAMS Report 3. Some may also allow their group to use the Water Slide 4. The BBQ Area 5 has a large covered dining room that can be available for classroom use.

For most areas, especially those that you do not wish to use, BARRIERS CAN BE ERECTED. You need to request these. You may NOT need RAMS Reports for these areas. Please keep in mind that close supervision will still be required.

**Zone 1**.- Private Pools, Staff Parking and Water Cooling, Golf Course.

**Zone 2** - Public Pools.

**Zone 3** - BBQ and Dining Area, Water Slide and Volley Ball Grass Court.

**NOTE** **Zone 1** - A BARRIER can be erected to block this whole area off.  
**Zone 3** - BARRIERS can be put up to block the back of the Dining Room Area, the Lagoon and the Volley Ball Grass Court.
